

Gardener

Specialty Gardens
Grand Haven, MI

Do you love being outdoors & working with plants and nature? Would you like to be active while having fun at work?

If so, come join our team at Specialty Gardens! We are looking to add Gardeners to our staff for the 2018 season. We're an established (16 years in business) and growing professional gardening company specializing in the design, installation, and detailed maintenance of beautiful gardens. We work at some of the most amazing private properties on the lakeshore and have a very loyal clientele. This is a hands-on position that involves physical activity working in ornamental and vegetable gardens and maintaining plants & flowers in large landscapes. The work we do includes tending to perennial gardens, planting flowers, mulching & weeding beds, pruning shrubs, dividing & transplanting, garden bed raking & clean-up, bed edging, planting trees & shrubs, and more. It also involves client interaction to answer questions and communicate information. Our mission is to be the absolute best at what we do: providing the most beautiful and best maintained gardens with friendly, knowledgeable, and dependable service.

Experience in gardening / horticulture / landscaping is a strong plus, but we will consider applicants who demonstrate a great attitude and a desire to learn. We offer a positive work environment, flexible work schedules, company trucks and equipment, and opportunities for increased responsibility, advancement, and compensation. We provide uniforms, tools, continual education opportunities, and we foster a culture of continual improvement and fun.

We are looking for individuals with a professional and optimistic attitude, a strong work ethic, attention to detail, and who enjoy outdoor work in all seasons.

We're located in Grand Haven and serve a clientele along the lakeshore 35 miles north and south of Grand Haven.

Compensation is \$13 per hour or more based on your skills and what you can contribute to making us a great company.
