North Ottawa Community Hospital is located in Grand Haven, Michigan on the shores of Lake Michigan. Grand Haven is known for its family-oriented community with beautiful beaches, highly ranked school districts, and high ratings for "Quality of Life".

North Ottawa Community Hospital (NOCH) is an 81-bed acute care hospital located in Grand Haven, Michigan. Like other progressive institutions, our profile changes to meet the needs of our patients and the challenges of our industry. We are a community health care system with a variety of inpatient, outpatient and support services. Affiliate organizations strengthen our seamless delivery of care, by transforming us into a health care delivery system.

We are currently seeking RN's and Certified Nurse Aides (Unit Tech/Clerk) for Full Time, Part Time and Casual (As Needed) openings (employment status varies depending on department).

Please apply via our website www.noch.org or at our employment kiosk (near the Information Desk) at: 1309 Sheldon Road, Grand Haven, MI 49417.
