

Do you have production/manufacturing experience but limited work availability? Do you need an employer with flexible scheduling? Well, FastTrack Staffing, Inc. just may have the perfect solution for you! We are currently seeking production associates for a finishing plant in the area with flexible and part-time scheduling available. We have positions available on first shift that pay \$10.00 per hour, while second and third shift pay \$10.25. Overtime may be available on weekends.

Don't spend another week unemployed because you can't commit to 5 days per week. Don't miss out on another paycheck because your current schedule prevents you from working the same shift each day. Let us help you with a part-time schedule that fits your needs and get you on the FastTrack to payday!

Drug-free workplace, candidates must pass a pre-employment drug screening.

If you're interested in a production position, please apply today! Visit www.fasttrackse.com or call our Michigan Branch at 231-683-4752.
