Come Share Grand Haven's Sandbox This Summer!

Every year, residents and visitors enjoy creating art with sand at the Sand Sculpture Contest. The 36th Annual Sand Sculpture event will be held at the Grand Haven City Beach from 9am - 1pm on Saturday, August 12. This event is proudly presented by The Chamber of Commerce of Grand Haven, Spring Lake, Ferrysburg.

The Sand Sculpture Contest is a family-friendly, all-skill-levels-welcome, contest where families, friends, individuals and co-workers sculpt the sand into amazing creations. Participants are given a two and a half hour time block from 10am - 12:30pm to sculpt the sand without any artificial supports. To compete, you must register and submit the participation fee prior to the event.

"To watch the transformation of regular beach sand into a sculpture is quite amazing. It's fun to see people of all ages making it happen!" said Mary Sherman, Director of Events and Programs.
