

POINT-IN-TIME COUNT 2019

LIVE UNITED

# VOLUNTEERS ARE NEEDED

for the Lakeshore Housing Alliance's Point-in-Time Count

## POINT-IN-TIME

Every year on the last Wednesday in January, The **Lakeshore Housing Alliance (LHA)** conducts a **Point-in-Time Count** of people experiencing homelessness. The Point-in-Time Count is a snapshot of homelessness in Ottawa County, helping to produce an estimate of the total number of individuals living unsheltered in our area annually.

One of the components of the Point-in-Time Count is a **Street Count**, where the LHA partners with local community members, law enforcement and housing service providers to identify people who are living in places not meant for human habitation. **We are seeking volunteers for the Street Count.** Groups of 3-4 volunteers will be given maps of the county, indicating locations where person living unsheltered may be found. Training will be provided beforehand.
