**The Chamber Presents the MI Hidden Talent Tour Featuring Lt. Governor Brian Calley and Michigan Supreme Court Justice Richard Bernstein.**

The Chamber announces that the MI Hidden Talent Tour featuring Lt. Governor Brian Calley and Michigan Supreme Court Justice Richard Bernstein will be coming to Northwest Ottawa County. The event will be held Monday October 23, 2017 at the Spring Lake Country Club.

This is a statewide tour to inspire Michigan companies to hire workers with disabilities. Lieutenant Governor Calley and Justice Bernstein will share their stories including experiences of companies who found valuable workers who have a disability. As part of the MI Hidden Talent Tour, these state leaders, along with local organizations helping with this effort, will provide resources and answer questions for business leaders who want to explore this untapped pool of talent.

There are 500,000 working-age Michiganders with disabilities who are not working, even though 43 percent of them have a college education or degree. Discover why more than 400 Michigan business leaders are hiring people with disabilities to fulfill their employment needs.

Join members of The Chamber and its partnering organizations for a unique experience, to hear from Lt. Gov. Calley and Justice Bernstein while learning about this noble cause and how local companies and organizations can support it.

The event is sponsored by Grand Haven Area Community Foundation, Grand Haven Rotary, Spring Lake Rotary and Disability Network Lakeshore.

Registration is required for the luncheon and the Chamber Member rate is \$25 and its \$35 for Non-Members. To register, contact The Chamber at 616.842.4910 or [areainfo@grandhavenchamber.org](mailto:areainfo@grandhavenchamber.org).
