WELCOME

The Chamber of Commerce Grand Haven, Spring Lake, Ferrysburg would like to welcome you to the 57th Annual Grand Haven Art Festival – a beloved community event highlighting the works of nearly 100 artists from West Michigan and across the country.

The goal of the Grand Haven Art Festival is to provide the communities and visitors of the West Michigan area with a unique opportunity to purchase one-of-a-kind art, directly from the artist, while upholding the community valued tradition of the event. We hope you will find that perfect art piece for your home, cottage or office while supporting the livelihood and ambitions of the artists!

The Grand Haven Art Festival also strives to be fun for the whole family and to engage our attendees. Make sure to check out Family Fun Day on Saturday from 10am to 2pm and the Community Stage, showcasing the talents of local musicians, both days of the event. Visit The Chamber's Information Booth to complete a short survey to be entered to win a prize drawing! Share your images of the event using #GHArtFest.

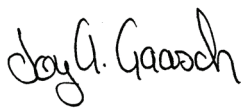

The Chamber would like to thank those who help to make this event possible by providing their expertise, assistance, and support. Without our sponsors, community members, The City of Grand Haven, local businesses, volunteers, artists, and attendees like you – this event would not be what it is today - thank you!

As you enjoy our beautiful beachtown and the Grand Haven Art Festival, please know it is our pleasure to have you here. Should any questions arise while you are visiting, please stop by The Chamber's Information Booth, we would be happy to help and we look forward to meeting you!

Enjoy your time in the Grand Haven area,

Mary Sherman
Grand Haven Art Festival Director

Joy Gaasch

Brad Patterson's artwork is influenced by his surroundings. His love of his native town, Grand Haven, is expressed through his work depicting Grand Haven's iconic lighthouse and catwalk. This limited edition piece, 1 of 100 vases, was started from a commission from the City of Grand Haven. Each piece is hand-built, numbered, and detail work is hand-glazed by Brad in his Grand Haven studio.
