PORTION OF PROCEEDS TO BENEFIT
NORTH OTTAWA COMMUNITY HEALTH SYSTEM FUNDRAISING DRIVE

Event will feature nearly 100 artworks by West Michigan and national artists.
All art pieces are chosen from the All Art Works online platform www.allartworks.net

(Grand Haven, Mich., November 19, 2019) — All Art Works, the West Michigan-based online platform created to connect artists with art buyers, announces its Holiday Charity Show, with a portion of proceeds to benefit the North Ottawa Community Health System. The donation will go toward the NOCHS fundraising drive to purchase a new echocardiogram machine with 3D capability.

All Art Works founder Tyler Loftis, a native of West Michigan, created the art-selling platform as a way to share new and established talent with buyers all over the US. Loftis resides in NYC where he paints full time.

“First-time buyers as well as experienced collectors should feel comfortable especially when they see the price and the quality. We carefully look at each piece to verify the quality and the price. Additionally every price includes a beautiful frame at material cost, without markup. This is a great way to support local artists and the hospital during the holidays, and these artworks also make great one-of-a-kind gifts.” - Tyler Loftis.

The opening night event will be held at the Depot, 1 North Harbor Drive in Grand Haven, on Friday, December 6th from 6 to 9pm. Additionally, the show will be open Dec 5th-7th from 12pm - 8pm for those unable to attend the opening night. Guests are encouraged to enjoy the work and bring home or gift an original, one-of-a-kind piece of art. Every work is priced with the frame included and ready to hang, and is packaged on site.

The North Ottawa Community Health System fundraising drive for new equipment addresses the growing number of people in the tri-cities community who need diagnosis and follow-up for heart disease. NOCHS has a goal of \$155,000, of which \$131,000 has been raised.

For those unable to attend, purchases to benefit the NOCHS fundraising drive can be made December 5th-7th through the online platform allartworks.net.
