### **2020 Grand Haven Hispanic Heritage Fiesta**

**Grand Haven, MI** - The Tri-Cities Puentes Initiative (TCPI) a 501c3 in progress is an outgrowth of the great success from the 2019 Grand Haven Hispanic Heritage Fiesta.

Our new approach to the Fiesta for 2020 will celebrate our Hispanic Heritage and the Hispanic members of our community amid the COVID pandemic.

Restaurants in the Tri-Cities will be invited to participate in a special restaurant week from Monday, September 21 through Saturday, September 26. Each restaurant will select a Hispanic/Latin America country whose cuisine they would like to showcase with a special appetizer, entrée, dessert and/or drink. Informational table cards for each restaurant will provide an interactive experience for customers to learn more about the featured Hispanic country. Local bars, breweries and bakeries are encouraged to participate.

Each participating restaurant will donate a percentage of sales of these food items (at the restaurant's discretion) to the TCPI to support local Hispanic organizations. The restaurant raising the most funds will be awarded TCPI 2020 Hispanic Cuisine Winner.

Additional activities in the planning stages include virtual dance classes, film festival, and a virtual Mercado on the Fiesta Website showcasing area Hispanic and Latinx businesses and organizations which serve the Hispanic community.

We hope local restaurants will participate in a fun and educational community celebration! Restaurants can sign up here <https://grandhavenfiesta.org/restaurants/>.

Stay tuned to the Fiesta website <https://grandhavenfiesta.org/> for more information as plans are finalized.
