

## **PAY IT FORWARD Fund**

This campaign to **Pay It Forward** will help to support The Chamber's mission as a catalyst of innovation and collaboration, empowering business and building community.

The COVID pandemic has impacted all of us in how we do business and what will be required of us we move forward. For some, it continues to be business as usual, and many companies did not take as hard a financial hit as others. Now is the time, if you can, to support local businesses that are less fortunate as well as community programming by **Paying It Forward**.

There are several ways in which your financial contribution can help.  
Please choose where you would like your support to go.

- The Farmer's Markets** – Grand Haven & Spring Lake Food subsidy programs
  
- Business/Education Partnerships** – Programs that impact the youth through career exploration and the connection of education and the world of work such as Homegrown, Boomerang, work skills and community connections
  
- Lakeshore Youth Leadership Connections** - A program that cultivate leadership qualities in students from Grand Haven and Muskegon areas.
  
- Leadership Connect Scholarships** – Community Leadership Program.
  
- General Chamber Programming**
