Pumpkins at the Grand Haven Farmers Market on September 26th

Come kick off the fall season with the Grand Haven Farmers Market! The Farmers Market will again be hosting the popular Pumpkins at Chinook Pier event on Saturday, September 26 from 10am - 11am. This is a free pumpkin event where Children 12 and under will pick out a pumpkin for decorating at their own homes.

"We're excited for this year's event! Smile One Services is our sponsor this year, so with their help, we will be able to provide 300 pumpkins from Visser Farms. Main Street DDA is providing "loot" bags for those participating with goodies and ways to help support our downtown businesses. We ask that all participants wear a face cover and practice social distancing during the event and at the Market" said Ellie Passorelli, Farmers Market Master and Director of Events at The Chamber of Commerce.

The fun begins at 10am and lasts until 11am, or when the pumpkins are gone. This event is on a first-come-first-serve basis and will be handed out by the Train at Chinook Pier. "It's a wonderful chance for families to celebrate the harvest, and to see what kinds of fruits and vegetables are available during the fall season at the Market," added Passorelli.

The event is sponsored by The Chamber of Commerce, Smile One Services, Visser Farms, and Grand Haven Main Street DDA.
