FOR IMMEDIATE RELEASE

**Whine no More – Grand Haven Main Street  
will do away with your winter blues**

**GRAND HAVEN, MICH – January 15, 2021** – Whine no More – Grand Haven Main Street has the solution for your winter blues!! Beginning January 22, Grand Haven Main Street has an opportunity for you to join us in a social media based scavenger hunt from the comfort of your favorite easy chair! This brand new event just needs you to Like, Comment, and Share - you are sure to win some great, local prizes!

Whine no More wants you to peruse our Facebook page each day from 1/22 through 1/31, click on the post of the wine bottle at its different locations and make a guess where that bottle is located. There will be one post from our Centertown businesses and one post from our Downtown businesses each day. Guess the correct Grand Haven Main Street business and reap the reward.

Once you figure out which Grand Haven Main Street store has the hidden bottle, state your answer in the comment section, like the post, and share it to your personal page to be entered in a daily prize drawing. Remember, two businesses will be posted daily – one from Centertown and one from Downtown (You have two chances to win!!)

Grand Haven Main Street strives to enhance the heart of the Grand Haven community through hosting promotional events, like Whine no More, plus we work to preserve our history and provide our Main Street businesses with information and support. Vicki Ellis, Grand Haven Main Street Promotions Chair states *"Whine no More is a way to keep our community involved with Grand Haven Main Streets businesses. We created this event for those who thrive on social media, and for those who love supporting our community."* Ellis also said, *"We are beginning a new year with new hopes, and our hope is for Grand Haven Main Street to be our community's primary destination for shopping, helping with your service needs and enjoying an amazing meal from any of our local eateries."*
