

PLIANT PLASTICS POSITION DESCRIPTION

Title: Clean Room Operator 1
Reports to: Clean Room Supervisor

Rev. Date: 5/2020
Pay Grade: Hourly

Purpose: The purpose of this job description is to reflect consistency of positions throughout the corporation; capture relevant education, training, skills and experience; and determine the necessary competence for the personnel performing work affecting product quality.

Position Summary: Assemble product using manual equipment in a controlled 'Clean Room' environment. Inspect, package, and label product to customer specifications.

Preferred Education and Experience:

- High school diploma or General Educational Development (GED).
- Previous manufacturing or mechanical experience, including the use of manual & semi-automated equipment.
- Demonstrated eye-hand coordination / manual dexterity.
- Demonstrated mechanical ability in the use of tools.
- Demonstrated basic math skills.

Essential Job Functions include, but not limited to, the following:

Operator 1:

- Manual assembly of product.
- Perform welding, packaging and labeling operations.
- Perform repetitive, intricate tasks in a contained environment.
- Follow work instructions to meet schedules and special requirements.
- Perform quality verification testing.
- Provide accurate and legible quantity, quality and time reports.
- Maintain a clean-room environment to required standards.
- Additional functions not specifically outlined in this position description as assigned by the supervisor.

Mechanical: (*equipment operation or physical dexterity required for the position*) - Manual and semi-automatic assembly equipment, sonic welder, scales, packaging equipment, full use and range of movements of wrists, hands, arms and eyes.

Work Environment: Environmentally controlled clean-room, moderate noise, hearing protection required, and protective clothing required.

Core Values: **Teamwork, Trustworthy, Respectful, Fun-Positive Attitude, and Meta-Performance.** All Pliant associates are required to model these core values in all areas of communication and performance on a consistent basis.
