**Candidates for the Ottawa County Board of Commissioners Responses to
Chamber Questionnaire Now Online**

Grand Haven, MI—The Chamber of Commerce Grand Haven, Spring Lake Ferrysburg and their Public Policy Committee do not endorse candidates for public office. But the Board of Directors feels very strongly that chamber and community members throughout Ottawa County should have access to information about all the candidates to help them make informed decisions on who they wish to represent them in local seats of government.

During the primary, many do not have an opportunity to learn about the candidates in their own words. That is why the Chamber asked each candidate running for the Ottawa County Board of Commissioners in the August 2nd Primary election to complete a candidate questionnaire to be posted on The Chamber's website at www.grandhavenchamber.org for community review.

This primary election for the Ottawa County Board of Commissioners is very different than in years past. There are more candidates running for the County Commission than ever before and as Ottawa County residents, it is imperative that we all get to know those candidates that are asking for our votes in the primary as only one from each party will be elected to run in the general election in November.
