# THANK YOU

The Chamber of Commerce Grand Haven, Spring Lake, Ferrysburg would like to welcome you to the 61<sup>st</sup> Annual Grand Haven Art Festival presented by West Michigan Cadillac Dealers. This is a beloved community event highlighting over 70 artists locally and across the country.

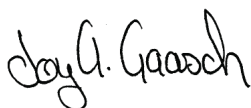

The goal of the Grand Haven Art Festival is to provide the communities and visitors of the West Michigan area with a unique opportunity to purchase one-of-a-kind art, directly from the artist, while upholding the community valued tradition of the event. We hope you will find that perfect art piece for your home, cottage or office while supporting the livelihood and ambitions of the artists!

The Grand Haven Art Festival also strives to be fun for the whole family and to engage our attendees. West Michigan Cadillac Dealers will have displays on the intersection of First Street and Washington, and T-Mobile will be providing charging stations, along with fun activities will be located on the 3<sup>rd</sup> Street intersection. Make sure to also check out Family Fun Day presented by Consumer's Credit Union on Saturday from 10am to 2pm! Visit The Chamber's Information Booth to complete a short survey to be entered to win a prize drawing to win a Brad Patterson original! Share your images of the event using #grandhavenartfest.

The Chamber would like to thank those who help to make this event possible by providing their expertise, assistance, and support. Without our sponsors, community members, The City of Grand Haven, local businesses, volunteers, artists, and attendees like you — this event would not be what it is today — thank you!

As you enjoy our beautiful beach town and the Grand Haven Art Festival, please know it is our pleasure to have you here. Should any questions arise while you are visiting, please stop by The Chamber's Information Booth, we would be happy to help, and we look forward to meeting you!

Enjoy your time in the Grand Haven area,

Joy Gaasch  
The Chamber President

### Lighthouse & Pier Vase

By Grand Haven Artist, Brad Patterson

As a lifelong Grand Haven resident, I was honored to be asked by the city of Grand Haven to make a work of art to present to the visiting Commandant of the U.S. Coast Guard. There was enough interest off of that piece to create a limited edition of 100 of these hand stamped, hand glazed vases from my original drawing. Each vase has the edition number carved on the bottom and a certificate included. As most of these have sold, this will be one of your last chances to have one of these vases.
