Grand Haven Art Festival Makes the Cover of Sunshine Artist Magazine

The Grand Haven Art Festival presented by The Chamber of Commerce is pleased to announce that we have made the cover of the November 2022 Issue of Sunshine Artist Magazine! Sunshine Artists is a 50-year-old magazine that provides comprehensive reviews of fine art fairs, festivals, and events, along with small crafts shows from across the country. It also provides features on everything from tips to boost artists' business to in-depth reports on current trends in the industry.

"This is such a great honor to see Grand Haven receive national recognition for our fine art community! I am excited to continue building this beloved festival and continue help showcase the fine arts in 2023," said The Festival Director, Antoinette Martin
