

MICHIGAN DOWNTOWN DAY!

Grand Haven, Michigan, September 23, 2023: Join Grand Haven Main Street and the City of Grand Haven for the fourth annual Michigan Downtown Day!

Proclaimed by the Governor of Michigan, Gretchen Whitmer on the fourth Saturday of September. The Michigan Downtown Association and the Grand Haven Main Street DDA “encourage community members to visit a downtown on September 23 and enjoy its shops, restaurants, and recreational and cultural aspects.”

“Downtowns, and their small businesses, deserve to be celebrated for they distinguish a community, are the drivers of economic development, and help to offer a sense of place that contribute significantly to the quality of life for the residents,” - Dana Walker, Director of the MDA.

Grand Haven has a great history throughout its vibrant Downtown and Centertown areas and offers a diverse assortment of businesses providing the best in boutiques, restaurants, and services.

It's a great opportunity to visit a local business to get to know them, create connections, and follow their social media & websites. You can visit the Tri-Cities Historical Museum to hear stories about the people and businesses that built this city and the people who continue to work at growing it and maintaining it. There is a diverse, beautiful history in Downtown Grand Haven to learn and discover from tales from long ago, to stories of success and family traditions. Take the time to learn and appreciate what a great place Grand Haven is to call home!

Each year Main Street strives to enhance the heart of the Grand Haven community through promotional events, physical improvements, and business recruitment and retention activities. Events like this continue to highlight our year-round historic shopping district and beautiful downtown!
