CONCESSIONAIRE GUIDELINES

Terms & Conditions:

- All vendors must conform to all applicable state & local regulations and must secure all necessary licenses and permits at the vendor's expense. Place the license in visible place in your unit for inspection.
- Vendors will be totally responsible for their concessions and will be required to furnish proof of general public liability insurance protection for injury and damage.
- Each vending unit must pass the Ottawa County Health Department's inspection before opening for business. You may set up starting after 6am on Friday, June 28th but you must be ready for inspection by 1pm. You are not allowed to begin sales until after the Health Department inspection. Guide for Temporary Food Establishments is enclosed for your review.
- You may need the following phone numbers to obtain more detailed information.
 - Ottawa County Health Department 616.393.5645
 - Grand Haven Water Department 616.847.3487
- **Important:** All food trucks (STFUs) must submit a Notice of Intent to Operate. This applies to all STFUs licensed in the state of Michigan. If you are not licensed in Michigan, you will need a Temporary License. If the STFU needs one of their two annual inspections it will cost \$160, which they can include with their Notice of Intent.
- **Important:** All accepted vendors are required to send a Temporary Food Service Application (enclosed) to the Ottawa County Health Department, minimum of 5 to 7 days prior to the show. Failing to do so may delay the process of the Health Department inspection and licensing of your unit.

Operating Procedures:

All concession stands are to be located on Second Street between Washington Avenue and Columbus Avenue. We must keep the middle section open for the fire lane. Barricades will be placed on the South side of the alley to access to back of stores.

- All vendors MUST display their permits during operation in sight of public viewing.
- Vendors will be responsible for clean-up of all trash within twenty feet of your unit. Dumpsters will be provided nearby and you must use plastic linings/trash bags. All cardboard boxes must be broken-down to save space in the dumpsters. Trash disposal MUST be a priority for Food Vendor. If your area is not kept clean, you will not be allowed to participate in Future Festivals.
- Each vending unit will be responsible for disposing of their sewage materials. The manhole to discard gray waters will be located at the intersection of Second Street and Washington Avenue.
