### **Local Businesses Invited to Sponsor and Participate in Boomerang 2025: Connecting Students to Careers**

**GRAND HAVEN, MI, July 15, 2025** - The Chamber is now accepting sponsors and booth registrations for *Boomerang 2025*, a one-of-a-kind career exploration event designed to help local students discover the paths to their future success. The event will take place on **Tuesday, October 14, 2025**, at the **Grand Haven High School Field House**, and businesses across the region are invited to play a vital role.

Boomerang is a powerful opportunity to connect students with the real-world opportunities that exist right here in our community. Through interactive booths and face-to-face conversations, local employers can showcase their industries, career pathways, and the skills they look for in future hires.

"Boomerang gives businesses a chance to plant the seeds of inspiration," said Mark Allen, Chamber President & CEO. "By participating, you're investing in our future workforce and strengthening the pipeline of talent in our region."

**Sponsorship opportunities and booth space are now available!** Whether your business wants to increase brand visibility, demonstrate community leadership, or directly engage with hundreds of students eager to learn, Boomerang offers a unique platform to make a lasting impact.

#### **Why Participate?**

- Inspire students to consider careers in your field
- Share the training and education paths required for success
- Connect with future employees and interns
- Strengthen your company's local presence and reputation

Businesses interested in sponsoring or hosting a booth can learn more and sign up at **[grandhavenchamber.org](http://grandhavenchamber.org)**

Let's work together to guide students toward meaningful careers, showing them that their future can start right here at home.

### **About Boomerang**

Boomerang is an annual career exploration event hosted by The Chamber in collaboration with area schools and business partners. Its mission is to expose students to the diverse career opportunities available in the region and help them discover their own path to success.

For more information, contact The Chamber at 616.842.2910 or visit [www.grandhavenchamber.org](http://www.grandhavenchamber.org).
